## Dra. Serra Arslançan

*Assistant Editor of the Royal Society of Chemistry (RSC).*

July, 18th - 16:00h

📍 Assembly Hall

### ***How to Publish with Impact: A guide to peer review and tips & tricks to make your paper stand out***

#### ■ Abstract

This talk focuses on providing a detailed guide on how to successfully publish in academic journals. We will go through the stages of the peer review process, highlighting its importance in academic publishing, and how to navigate it effectively. Additionally, I will share practical tips and tricks to make your article stand out. You will learn about the best practices for writing, structuring, and presenting your research in a way that captures the attention of reviewers and editors. This talk is designed for academics looking to maximise the impact of their publications and early career researchers aiming to advance their scientific careers.

***Duration: approximately 1 hour.***

#### ■ Biography

##### **Dr Serra Arslançan Sengelen**

Serra completed her undergraduate studies in Chemistry in 2012 and later obtained a master's degree and a PhD in Theoretical Chemistry and Computational Modelling. She defended her PhD thesis in June 2018 with Cum Laude honours. Subsequently, she conducted postdoctoral research at the University of Pisa. Since June 2022, she has been working as an Assistant Editor at the Royal Society of Chemistry in Cambridge, United Kingdom.
